# Earl Campbell, Eskimo Player Gets S.O.S. Call From Ottawa Senators

OTTAWA, Dec. 30.—Ottawa hockey club officials amounce tonight that Earl tampbell, right wing and centre player of the Edmonton Eskimos, would become a member immediately of the control change of the season and may then be purchased outright.

Negotiations were closed whereby Rube Brandow of the Eskimos would come to the capital, but Rube was unable to do so, and Campbell was substituted.

It was learned today that Jack Darragh would be out of the Ottawa line-up several weeks as a result of an accident in Saturday's game. Darragh fell heavily and cracked his right knee cap.
